

Codice EX0039-R
code

Materiale PVC
material-materiel

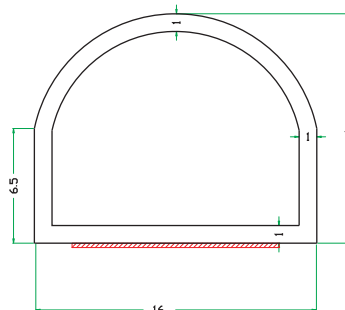

Applicazione Serranda
application roller shuttler - obturateur

Codice EL-4834
code

Materiale TPV 25 Sh espanso
material-materiel con adesivo

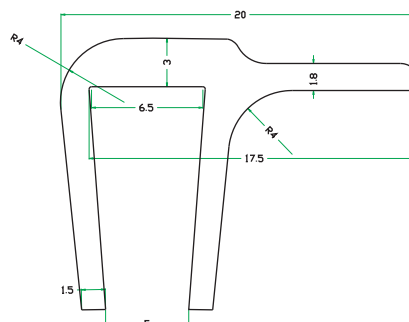

Applicazione Serramenti
application

Codice EL-4833
code

Materiale TPV 70 Sh
material-materiel

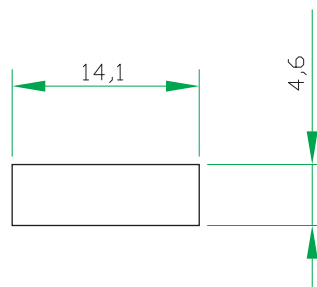

Applicazione Varie
application various - différentes

Codice EX0027-R
code

Materiale PVC
material-materiel

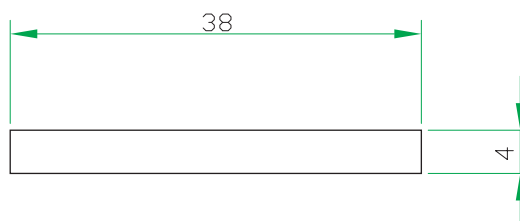

Applicazione Varie
application various-différentes

Codice EX0037-R
code

Materiale PVC
material-materiel

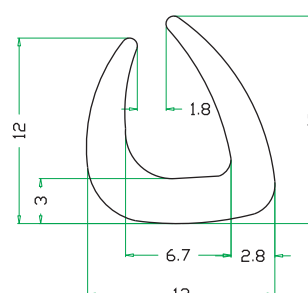

Applicazione Varie
application various-différentes

Codice EL-4006
code

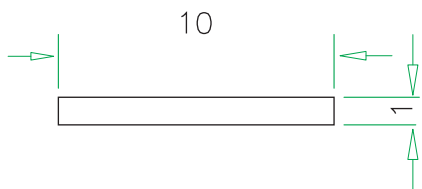

Materiale PVC morbido
material-materiel soft-plastifié

Applicazione Varie
application various-différentes

Profili Per Serramenti
Profiles for windows
